EDUCATION

B.S. INFORMATION SCIENCE
MINOR IN JAPANESE

University of Pittsburgh | Dec. 2020 | GPA: 3.59

- Dean's List, University of Pittsburgh 2016, 2018, 2019, 2020
- Internship Offer - Fukui Byora International Internship Program
 - Located in Fukui, Japan from 5/2020 - 4/2021
 - Hired to expand the functions of Fukui Byora's Business Intelligence tool and work on database projects
 - Unable to be fulfilled due to COVID-19

WORK EXPERIENCE

RETAIL KEY HOLDER & FREELANCE WEB/DESIGN WORK
KAWAII GIFTS | Pittsburgh, PA | April 2017 - Present

- Upon the development of COVID-19 I had the opportunity to do an individual redevelopment project for the e-commerce website:
 - Designed new store logos and branding styles
 - Improved the site's product organization to direct customers towards trending items and facilitate easier access to popular product categories
 - Edited a live website's HTML/CSS while ensuring its functionality
 - Imported new products into web-store database via CSV
- Retail duties include customer service, opening and closing the store, maintaining the till, training new employees and packing/shipping orders.
- Visual merchandising and warehouse management

TECHNICAL UNDERGRADUATE RESEARCH ASST.

UNIVERSITY OF PITTSBURGH | Pittsburgh, PA | Sept. 2016 - Jan. 2018

- Dietrich School of the Arts and Sciences Visual Media Workshop
- Studied D3.js, a JavaScript data visualization library
- Used D3.js to develop a prototype data visualization for the project *Itinera*
- Publication:
Christopher Drew Armstrong, Lily Brewer, Jennifer Donnelly, Alison Langmead, Vee Mcgyver, Meredith North, "Itinera's Displacements: A Roundtable," Journal18, Issue 5 *Coordinates* (Spring 2018), <http://www.journal18.org/2741>. DOI: 10.30610/5.2018.

RESTAURANT KEY HOLDER

SCOOPS IN BLOOMFIELD | Pittsburgh, PA | Aug. 2015 - April 2017

- Customer service, maintaining the till and store cleanliness

STANDARDIZED PATIENT

UNIVERSITY OF PITTSBURGH | Pittsburgh, PA | Aug. 2012 - Sept. 2015

- Provided medical students with role-play structured learning experiences simulating patient interaction
- Provided structured and appropriately constructive feedback to students
